A COUGH MEDICINE FOR CHILDREN. "I have no hesitancy in recommending Chamberlain's Cough Remedy," says F. P. Moran, a well known and popular baker of Petersburg, Va. The efficacy of newspaper advertising has been demonstrated at Beverly, Mass. where the First Universalist Church trustees have made a contract for a half page of advertising space in the leading newspaper for every Sunday. This half page is used to declare the doctrines of the church, announce the preacher's subject and the music program for the next day, tell the people how to reach the place, and describe the seating arrangements. The church is crowded every Sunday night.

Here is the latest swindle to catch the granger with, and it has the merit of being perfectly legal. A land speculator comes along and offers the farmer a big price for part of his farm. The granger accepts, and \$50 is paid down to bind the bargain, the papers to be made out at the end of two or three weeks. Before the time is up along comes speculator No. 2 and wants to buy the whole farm at a big price. The farmer bites and writes No. 1 offering him, say, \$400 to let him off. No. 1 reluctantly consents to this. No. 2 never turns up, and the granger is out \$350.—East Coast Advocate.

REMARKABLE CURES OF RHEUMATISM. The editor of the Vindicator has had occasion to test the efficacy of Chamberlain's Pain Balm twice with the most remarkable results in each case. First with rheumatism in the shoulder from which he suffered excruciating pain for ten days which was relieved with two applications of Pain Balm, rubbing the parts afflicted and realizing instant benefit and entire relief in a very short time. Second in rheumatism in thigh joint almost prostrating him with severe pain, which was relieved by two applications, rubbing with the liniment on retiring at night and getting up free from pain. For sale by all druggists.
